CHURCHWARDENS' REPORT.

Toronto, April 20, 1908.

To the Vestry :—

In submitting a report of their stewardship your Churchwardens beg to say that this year has been an active one and productive of abundance of work—no sooner was one contract or project completed than another was required to be seen to, and this from the beginning of the year almost to the end. Commencing with a list of considerable new work and repairs to the Church and Sunday School Building, which the Finance and Advisory Committee recommended to be done, and estimated to cost some \$1,200, the first step was to obtain the necessary funds. We are pleased to report that through the kindness and generous liberality of the Rector and members of the Congregation we have been enabled, not only to see the list of recommended new work and repairs completed (with the exception of the organ), but several other important and very much needed improvements done as well, accounts for all of which have been settled. We doubt, however, whether we could have been able to report so favorably were it not for the kindness of Mr. Lovegrove, a member of the congregation, who generously relieved us from the whole of the expense of the sidewalk around the Church, together with the three granolithic entrances and steps and the other cement work at the Sunday School.

In addition to the above new work the foundation and floor of the Church have been carefully examined, a large amount of decayed wood cut out and replaced with new joist, and the whole strengthened by additional supports, so that it now, as the contractor assured us, might be said to be firmer and more solid than when it was first built, the ventilators in two of the southerly windows have been re-leaded, the green baize doors re-covered, storm windows put up to protect the west window, the Sunday School painted on the outside and also part of the inside, the

walls of the kitchen in the basement sheeted and the room renovated and other smaller matters to the inside of the Sunday School and Church attended to. The work thus done should tend to make demands for further repairs to the Church and Sunday School building very light for a considerable time. We would, however, mention that, in our opinion, the moneys on hand and the subscriptions yet to be received could be well expended in painting the outside woodwork of the Church, in providing some protection to the east and north windows and in repairing the chimneys of the Sunday School—all of which is very much in need of attention.

The question of the user of the small strip of land to the east of the Sunday School building and forming part of the Sunday School property, but used by the owner of the land to the east as a part of his side entrance was also settled for the next few years by our having Mr. Chinn (the owner) execute an acknowledgement of title approved of by Mr. Worrell and registered.

In addition to the above there has been paid for work done on the organ during the year \$260. This, however, does not cover all the work contemplated and necessary to be done thereon which, owing to the builders not being able to complete, has had to be delayed until this coming year.

We have to report that the income received from the Sunday Offertory for the year as just closed amounts to \$2,578.91. Of this sum \$1,556.91 came by open contribution and \$1,022.00 through envelopes. Comparing this with the former year shows that the Sunday contribution has not materially improved and we are sorry to add that the non-parochial collections have decidedly fallen off. There were fifty-five Sundays since Easter, 1907, and the average collection per Sunday was \$46.89; total expenses per week were \$46.98. These, owing to no Curate's stipend having to be paid for some six months past, are not as great as they otherwise would have been, and the balance on hand

is consequently greater. All expenses have been paid to date, Synod dues and assessments (except Widows' and Orphans' Fund) have been met. The balance on hand is as follows :

General Purpose Account	\$208 68
Special Account	619 48
Total	<u>\$828 16</u>

The annexed statement gives the financial affairs of the Parish in detail. The Rector has requested it mentioned that the Toronto Rectory Fund received by him and referred to therein was actually \$102.83, that in the past \$25 part thereof has been paid by him as the contribution of this Church to the General Hospital Chaplain Fund, and the balance handed by him to the Churchwardens, but that in the future he intends handing it all to the Churchwardens.

Referring to the Canon Scadding House and Cottage accounts mentioned in this statement we feel that the money derived from these properties was never intended to be used as a means of meeting the ordinary expenses of the Church and as in the near future something will have to be done either in remodelling or rebuilding on these properties we would suggest that hereafter (if possible) the revenue from the same be set apart as a nucleus for such work. To do so now would take more than the amount on hand in the general account.

During this year the Rev. Mr. Brain, Curate for the past seven years, resigned to accept the charge of the Mission at Wychwood, and prior to his departure the members of the congregation presented him with a purse of \$100, coupled with all good wishes for his future work. We are pleased to report that the Rector was successful in securing the services of the Rev. Derwyn T. Owen, formerly of the Parish of St. James of this city, as his assistant, and that His Grace the Archbishop has been pleased to appoint him as Assistant Rector; also that the Rev. Vivian E. F. Morgan has accepted the position of Curate. -On being con-

sulted by the Rector regarding the matter this is what we suggested to him. It is to be hoped that what has been done meets with the approval of the Vestry. We feel confident that the Church we all love so well will show a marked improvement in the near future. We also desire to place on record the fact that the Sixtieth Anniversary of the founding of this Church was duly celebrated this year with a special musical service.

The ladies have as usual been untiring in the different works of the Church in which they are engaged and to them and the Choir for their valuable services, necessitating considerable sacrifice of time and study, but yet all voluntarily and freely given, all thanks are due and heartily tendered.

To the auditors also we are indebted for discharging their duties so satisfactorily.

The Churchwardens in laying down their trust desire to thank the Clergy and all members of the congregation for their many kindnesses and help extended them during the past year thus rendering their duties more of pleasure than labor.

Respectfully submitted,

F. A. BLACHFORD,
W. R. CAVELL,
Churchwardens.

THE CHOIR.

During the year the choir, which is entirely voluntary, has retained its full strength, and under the direction of the organist, Mr. A. R. Blackburn, has rendered the musical portion of the church service in a most satisfactory manner.

Mr. Blackburn has provided an orchestra for each of the Festival Services during the year—Anniversary Service, Christmas and Easter.

The personnel of the choir is as follows :

TREBLES.

Garnet Arnold	Arthur Crowley
Norman Allingham	William Downey
William Avery	Claude Downey
Earl Allingham	Lyon Inch

ORGAN IMPROVEMENTS.

During the past year another new stop has been added to the organ, viz., Doppel Flute. This stop is mounted upon a separate wind-chest, immediately behind the front pipes, and is connected with the Great Organ wind-chest by Tubular pneumatic action. The Doppel Flute is a stop of comparatively modern invention, possessing a full, pungent tone, which permeates the full organ with mellowness, and as a solo stop is most effective.

Two composition pedals have been connected with the swell drawstop action, which greatly facilitates the changing of stops on that organ.

A Vox Humana stop has been ordered from a firm in London, England, who are famous for their voicing of this particular stop, and it is hoped that we shall thus obtain one of the finest specimens of this stop in the city.

The registration of nearly all modern organ music calls for the Vox Humana.

The amount expended on improving the organ to date is about \$250. In making additions to the organ we are careful to add only such stops as would be indispensable in case of the possible thorough modernizing of the instrument at some future time, when it might be considered advisable to replace the present action with tubular pneumatic action, and divide the organ, placing part on either side of the Chancel, adding a celestial organ in the west gallery, and put console in front of choir stalls, all of which is respectfully submitted.

THE ENVELOPE SYSTEM.

The Envelope System was started in this Church in the year 1864. It was found necessary to have some regular system of giving and that the Churchwardens should be assured of at least a portion of the necessary expenses of the Church.

The Envelope System was devised for this express purpose. It leaves to each person the duty of deciding how much he or she ought to give per week.

The Church being Free and the clergy being at your disposal whenever needed, every regular attendant ought to be willing to contribute on this plan. It blesses the giver for it enables him so much the more regularly and faithfully to do his duty.

During the past year there has been a decrease of 11 contributors through the envelopes. It is earnestly to be hoped that this year may show a decided increase.

The expenses for the present year averages \$60 a Sunday, All your Churchwardens have as guarantee to meet the same is what they get through the envelopes, and that at present is represented by 74 members, which amounts to approximately \$24.50 a Sunday. If you are not already a member of the Envelope System would you not like to be? If so, fill in the attached slip and envelopes will be sent you forthwith.

The following is a list of contributors for the two years :

Easter, 1907.			Easter, 1908.		
1	at.....	\$5 00 per week	1	at.....	\$5 00 per week

The following are among other reasons for contributing through the Envelope System :

1. BECAUSE it is my duty, as a member of this congregation, to give as God hath prospered me, towards the maintenance of His worship in this Church.

2. BECAUSE I want to give systematically.

3. BECAUSE I am unwilling, by neglecting my duty in this respect, to cast upon others the burden of providing me with the ministrations, when God has enabled me to assist in providing them for myself, and possibly for others who are not as well off as I am.

4. BECAUSE I know, that whether I am present or absent from church, the expenses of carrying on the services are the same, and if I do not contribute through the Envelope System I might forget to make up for those occasions when I have given nothing, or less than I ought, or omitted to send my offering.

5. BECAUSE I want to give more, rather than less than the sum which—being my own judge—I think I ought to give.

The accounts being kept by means of numbers on the Envelopes, the amount of each person's contributions is known only to himself and the Churchwardens for the time being.

This year has been an eventful one in the school's history ; the work done in the school and out of it has been a credit to those who have taken part.

The Teachers and Scholars have been faithful in attendance and the results are both marked and gratifying. I am very sorry to report that the exodus of English-speaking people from this district is a serious difficulty we have to cope with and has caused a very noticeable reduction in our ranks in the last two years, otherwise the percentage of work done is away above the average.

The Annual Picnic, which was held at Eldorado Park last July, was a grand success. In the first place the day was ideal, the coaches supplied by the Canadian Pacific Railway

were very comfortable. Secondly, the scenery on the banks of the peaceful Credit was "A Rest." The miniature islands and lakes were a haven for those who enjoy boating and bathing. Thirdly, everything went off without a mishap and there was plenty of the good things to eat. The games were a feature of the day, and the prizes were eagerly contested for, especially the road race. Many of the parents and friends accompanied the school to the Park.

Our school came again to the front on the Advent examinations. Miss Gwatkin and Miss E. Bathurst winning second class Diplomas on the Honor Teachers' Examination, and Miss Alice Clarke a first-class Diploma in the scholars' examinations.

The Annual Christmas treat for the infant class was attended by about 90 children, who after enjoying a delightful supper and a programme of music and recitations, were each sent home happy with a prize.

The Annual Christmas treat for the main school was also a marked success; ample programme and refreshments were in order, many friends were present, and nearly 60 of the scholars received valuable prizes for regular attendance, conduct, and lesson marks.

The Mission work done by the school again this year is a credit to any school of this size. The Treasurer's report shows that a good sum was given to the Church Extension Fund, another sum to the Sick Children's Hospital, to St. Michael and All Angels; a generous amount was given towards the purchase of their Paten and Chalice, and we also presented them with an Altar Book; to the Dovercourt Mission a sum for their Altar Linen. At the last annual meeting we voted \$5.00 to the Co-Adjutor Bishop of Jamaica for the relief of the sufferers from the earthquake. The collections taken on the first Sunday of each month were, as has been the custom, applied to these outside objects, together with a balance left over from last year for Missions of \$22.17, covered all the items less \$2.92, which was taken from the general funds. Besides the above-mentioned

the Self-Denial and Lenten collections, which amounted to \$45.60, was also given to Missions, making a total of \$95.80 to Missionary Work.

In the ranks of the officers we regret the loss of the Rev. W. J. Brain, M.A., who has been our Superintendent for seven years, who resigned the Curacy of the Parish last September in order to take charge of the new Mission at Wychwood.

School Roll : The number of infant names on the roll is : Girls, 41 ; Boys, 37 ; total, 78, and in the main school, Girls, about 80 ; Boys, 24 ; total, 104. Total, Girls, 121 ; Boys, 61. Grand total, 182. Average attendance, 125.

THOS. HOPKINS,

Superintendent.

SUNDAY STREET CARS.

Arrangements have been made with the Toronto Street Railway Co. to have all cars stop at Trinity Square during church hours on Sundays, if requested to do so.

BROTHERHOOD OF ST. ANDREW.

The Brotherhood Chapter has not been as active the last six months as heretofore, owing to some of the members moving from the parish, which made it impossible for them to attend.

Visiting St. Michael's Hospital every Sunday has continued regularly.

The meetings have been held regularly once a week, on Tuesday afternoons, since October 8th, with an average attendance of 20 members. There have been 22 meetings, six for business and sixteen for sewing.

The Branch worked for the Parochial Dorcas Society and made pillowcases for Emmanuel College until Christmas. In January it was decided to work for the Spirit River Mission, and a well-filled bale, consisting of wearing apparel and five quilts has been sent there.

A quilt and two warm dresses were specially contributed to be sent to the Hay River Mission.

In October the members of the Branch presented a certificate of Life Membership and gold badge to Mrs. Brain, "as a mark of sincere affection on the occasion of her leaving the Parish."

There are now 55 members on the roll, 13 of whom are Life Members and 42 are subscribers to the Leaflet. The Branch has undertaken six annual pledges: the Chinese Fund, the Japanese Missionary Fund, the Education Fund, the Diocesan Mission Fund, the Blackfoot Hospital Fund, and to the salary of the Matron at Whitefish Lake, all of which have been paid.

At the business meetings addresses have been kindly given by Mrs. Broughall, Miss Trent, from Japan; Miss Osler, Mrs. McGinnis, from Japan; Miss Lea, Mrs. McAll, and Mrs. Banks, and most interesting and detailed reports of the Board meetings have been given by the Diocesan Representative.

The meetings will be resumed (D.V.) on Tuesday afternoon, Oct. 13th, 1908, at two o'clock, and will be held every Tuesday afternoon during the season of work. New members will be cordially welcomed at any of these meetings, and members of the congregation who are interested in the work are specially invited to the business meetings, which are held on the second Tuesday of each month and are duly announced by the Rector.

The season just closed, while being a very successful one, has not come up to the standard of former years, owing to the fact that until March, 1908, there being no assistant clergy, which was a detriment to the Young People's Association.

Early in the season we had a very interesting illustrated talk entitled, "A Trip Across the Continent," given by Controller Dr. Harrison. We were also favoured with a humorous talk by Rev. C. B. Kenrick, of St. George's

REV. D. T. OWEN, L.Th.,

ASSISTANT RECTOR.

Church, on "Taking the Cure at Aix," which proved very interesting, telling us about his trip through France and Switzerland.

During the season visits were made to St. Cyprian's, St. George's, St. James' and Church of the Ascension; we also entertained several Branches.

During Lent our Warden gave us two or three instructive addresses on devotional subjects, which were well attended and highly appreciated.

At our last meeting it was decided to hold our "Annual Picnic" Saturday afternoon, June 20th, 1908, at Island Park, when it is hoped all members and friends will come and assist in making this the event of the season.

The officers and members extend hearty thanks to all who have assisted us in our programme in any shape or form.

Now that we have two assistant clergymen to stimulate our efforts the A.Y.P.A. look forward to a brighter and better future than ever.

ERNEST W. BARBER,
President.

CECIL T. PARDOE,
Secretary.

GIRLS' FRIENDLY SOCIETY.

Twenty-one meetings have been held since December last, they were opened with a tea and quite a large gathering of members and associates.

Preparing for the Christmas tree was the first work taken up. After Christmas the outfit for one Indian Girl at the Blackfoot Home was made and has since been sent out. Children's clothing for the Nursing-at-Home Mission, Hayter St., has been made, as well as two quilts. We are very grateful to our kind friend Mrs. Cameron, who helped us with the quilting.

On the eve. of Feb. 10th a pleasant gathering of all the Branches was held in St. Simon's Parish House. Mrs. S. G. Wood gave a verbal report of the work done in Holy Trinity Branch.

On Monday evening in Holy Week all attended service together as usual. We have missed Mr. Brain's Bible Class owing to his removal to another parish.

Mrs. Sullivan wishes to express her thanks to the members of the Mothers' Meeting who so kindly sent her a quilt for the Mission to Deep Sea Fishermen.

H. SULLIVAN,
Secretary.

THE DORCAS SOCIETY.

The amount collected for the Dorcas Society during the year was \$25.56.

Collected by Miss Selby	\$ 7 50
“ “ Turquand	11 00
“ “ Leslie	7 00
Left over from year before	06
	\$25 56

Of this money, \$24.93 was expended in clothing for the poor, and 63 cents went to the Mothers' Meeting Fund, leaving \$1.00 balance on hand.

E. M. PEARSON,
Treasurer.

THE SEWING CLASS.

The Children's Sewing Class met again this year. The attendance was larger than the previous year and the children were quiet and well behaved. Miss Leslie kindly took charge of the class, assisted by Mrs. Mowat, Mrs. Canniff, Miss M. Locke and Miss Jordan. A number of useful articles (aprons, skirts and dish towels) were made by the children, who took great interest in their work; and on the closing night each child received a prize, the elder girls obtaining work boxes and the younger children dolls and colored balls.

E. M. PEARSON.

THE MOTHERS' MEETINGS.

Commenced on Friday, December 6th, and were held every week until March 27th. The meetings were well attended. Three quilts were made and forwarded to different Missions. We are always pleased to see any mother who can spare the time to come to our meetings.

BESSIE A. McAULEY.

THE FLOWER AND CHANCEL GUILD.

The Flower Fund has been reorganized, and new members wishing to join will please hand their names to the Churchwardens. Subscriptions range from 5 to 25 cents a month. Misses I. Deane, F. Harford and V. Golden have met every two weeks since Christmas and kept the altar brass and offertory plates well polished.

A new set of black hangings were used on Good Friday, and the old material will be disposed of by the Woman's Auxiliary when they meet again in the autumn. The new set of black broadcloth, costing \$13.94, which was made up chiefly of odd sums, and a few contributions.

The Young People's Guild gave a new set of linen for the Altar, and it was made up and embroidered by different members of the congregation, the cost of the material being \$6.96, which was kindly collected by Miss M. Locke.

E. M. PEARSON.

VOTES OF THANKS.

Moved by Mr. T. W. Barber, seconded by Mr. T. E. Champion, That the thanks of the Vestry be tendered to the ladies of the congregation, who have, during the past year, taken part in the work of the Parish, and particularly in making collections and decorating the Church at various times during the year.

Moved by Mr. J. L. Turquand, seconded by Mr. J. J. Clarke, That the thanks of this Vestry be tendered to the Organist and each member of the Choir, for their services so efficiently rendered during the past year, and to Mr. A. R. Blackburn especially for his liberality in supplying extra instrumental music on various occasions.

Moved by Mr. T. W. Barber, seconded by Mr. M. Thrush, that the thanks of the Vestry be tendered to the Churchwardens for their very able and efficient services during the past year.
